To our Exhibitors, Parents, 4-H Leaders and FFA Advisors

“What’s New”

- Elimination of required photo for every market entry.
- Code of Conduct – each exhibitor is required to upload the Code of Conduct Form with the parent’s or guardian’s signature. The Code of Conduct Form can be found on our website.
- New beef minimum weight of 1,100 and maximum of 1,400 to align with industry standards.
- Small Animal Show and Sale moved to Friday, June 7th
- Market Turkeys have been added to our program.
- Dairy – Grade and Registered will be on the same day, Thursday, June 6th
- Swine – Commercial Guilts – 350 max weight.

We are in our second year of ShoWorks fair entry management software program. All entries must be completed online. All required documents must be uploaded into the entries. Please follow the online instructions www.mercedcountyfair.com.

The Entry Closing Deadline is Thursday, May 2, 2024

Each year we have had exhibitors who missed this MOST IMPORTANT deadline and were disqualified from participating. It is heartbreaking and expensive, but our local rules clearly state **late entries will not be accepted, no exceptions”**.

To further explain, in the 2024 State Rules for California Fairs, under Eligibility II, 3. **“No entry form or entry will be accepted after the closing date for entries.”** Also, in the Preface, item 3. **“These rules cannot be waived or amended by anyone, including the fair board, management, or the judge.”**

We are not able to accept a late entry under any circumstance. To avoid any pitfalls to entering, below are just a few tips to help you with the process:

- Don’t forget to enter online by **Thursday, May 2, 2024**.
- It is suggested you submit your online entry sooner rather than later.
- Please don’t wait until 10:00 pm, the night it is due, because if something goes wrong, such as your computer failing, a power outage, or your credit card charge not going through we will be unable to help you.
- The system will automatically shut off at 11:59 pm on May 2, 2024, and the system will not let you enter, so again, please don’t wait until the eleventh hour.
- After entering online, you will receive a confirmation e-mail and a receipt. Print your receipt and check your entries. Make sure you have showmanship class and breeding or market. If you don’t receive your confirmation e-mail, the entry process is not complete, and you are not entered.
- If you entered the DHR Program by their deadline of February 6, 2024, REMEMBER, you must also enter your Dairy Heifer into the fair in the online portal. It is a two-step process.
- When entering your animal don’t forget to enter showmanship.

We want everyone to be able to participate, but the responsibility lies with the exhibitors and parents to do their part. Let’s make 2024 the year of no disqualifications!
