## Tyler Farr

### FREE Table Mountain Concert Series Presented by Coors Light

Friday night calls for some country music! On night three of the FREE Table Mountain Concert Series presented by Coors Light is Tyler Farr on June 7 the 2024 Merced County Fair presented by Valley Children's Healthcare! The show starts at 8:30 p.m. and is free with your paid Fair admission.

Named by *Taste of Country*, Tyler Farr is one of the best male vocalists in Country music today and is the first artist signed by Jason Aldean's Night Train Records/BBR Music Group. The Country-rocker, with three No.1 songs to his credit ("Redneck Crazy," "Whiskey in my Water" and "A Guy Walks Into a Bar") broke onto the scene with the 2013 release of his debut album, *Redneck Crazy*, which landed No.2 on the Billboard Country Albums Chart and No.5 on the Billboard Top 200. Farr's Platinum-selling title-track "Redneck Crazy" projected Farr forward to celebrate back-to-back No.1 singles, including his first No.1 as a songwriter, with his Platinum-certified hit "Whiskey in my Water." His sophomore album, *Suffer In Peace*, followed suit, also making its debut in the Top 5 on both the Billboard Top 200 Albums and Billboard Country Albums Charts, leading Farr to become the only solo male Country artist in the past decade to have their first two studio albums debut in the Top 5 on the Billboard 200.

Known for his love for our military and his passion for the outdoors, and recognized as a 2014 CRS New Faces of Country Radio and 2014 Music Row "Breakthrough Artist of the Year" nominee, the opera-trained singer quickly earned coveted slots touring with Jason Aldean, Florida Georgia Line, Luke Combs, Brantley Gilbert and Lee Brice. The Missouri native's try wit, silly antics and reputation as "a no-frills musician who pours his drinks as hard as he pours his heart into his songs," as quoted by the *Rolling Stone*, led to the star's riotous social following of fans eager for his next move.

After released "Country as Sh\*t," featuring multi-genre phenomenon Jelly Roll, in which *Taste of Country* declared "a summer-ready ode to windows-down, mud-crusted, beer-soaked fun in the country," Farr is heading back to his rough and rowdy ways with his latest Aldean-produced *Rednecks Like Me EP*. Don't miss your chance to see this country star LIVE at the Merced County Fair!
